

HEREIN IS LOVE

①

D D
Looking down from His throne
Bm Bm
Watching this earth below
Em Em
Knowing deep down in His heart
A A
The time had come

D D
Stepping down from His throne
Bm Bm
He moves to His Father's side
Em Em
In an embrace of tender love
A A
I can hear Him cry

G D G D A
O my Father, the time has come for me to go
G D
Although it hurts to leave your side
Bm A G D
I want to bring them home again.

②

D
Looking down from His Throne
Bm
The Father watches His Son
Em
For 33 years they'd been apart
A
Since the work was begun

D
Now He can barely watch
Bm
As they nail Him to that tree
Em
Holding back with all His might
A
His desire to set Him FREE

G D
O my precious Son
G D A
O How I love you so
G D
The sting of sin now shrouds your face
Bm A G D
How can I let you go, My Son.

③

D
Staring up into space
Bm
He searches the cloudy sky
Em
Racked with pain and suffering
A
He's at the point to die

D Is it all worth it now

Bm To save the human race

Em Will He ever live again

A To see His Father's Face

G D
O my Father

G D A
The time has come for me to die

G D
Although I can not see your face

Bm A G Em D
I trust that we'll embrace again

④ D Looking down from His Throne

Bm The Father beholds His Son

Em He paid the price for every sin

A But never guilty of one

D The Father now gives the sign

Bm To let His Son go free

Em And as He bursts forth from the tomb

A In His Hands He holds the key

G D
O my precious Son,

G A
How I love you so.

G D
You paid the price to bring them home

Bm A G D
Now bring them back again to me

⑤ D O what amazing love

Bm Between the Father and His Son

Em And this love they wish to share

A That we all may be One

G D
O Our Father,

G D A
How we love you so.

G D
Please forgive us for what we've done

Bm A G D
And bring us home to you, again.
